

How to use the **myUGMManchester** app

How to **download the app**

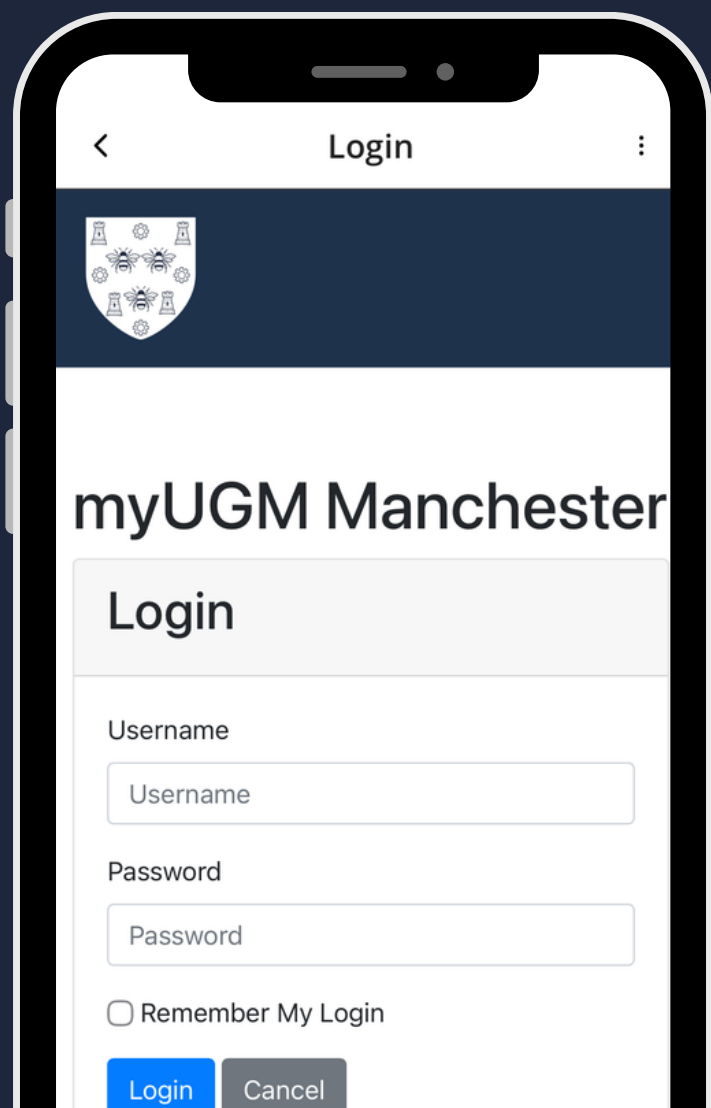

The app is available on both **andriod** and **iOS** through the play store and app store.

Just search for '**myUGMManchester**' in the search bar and click install.

Logging in

When you first open the app, you will be greeted by the log in page. **Your log in is the exact same as your Online Learning/VLE log in.**

Your username will be your **Student Code (3XXXXXX)** and your **Password will be your date of birth in 6-digit format** (unless you have changed this).

A smartphone mockup showing the login screen of the 'myUGM Manchester' app. The screen has a dark blue header with a white shield logo on the left and the text 'myUGM Manchester' in white. Below the header is a white box with a dark blue title bar containing the word 'Login'. The main content area is white and contains two input fields: 'Username' and 'Password', each with a placeholder text of the same name. Below these fields is a checkbox labeled 'Remember My Login'. At the bottom are two buttons: a blue 'Login' button and a grey 'Cancel' button.

Using the app

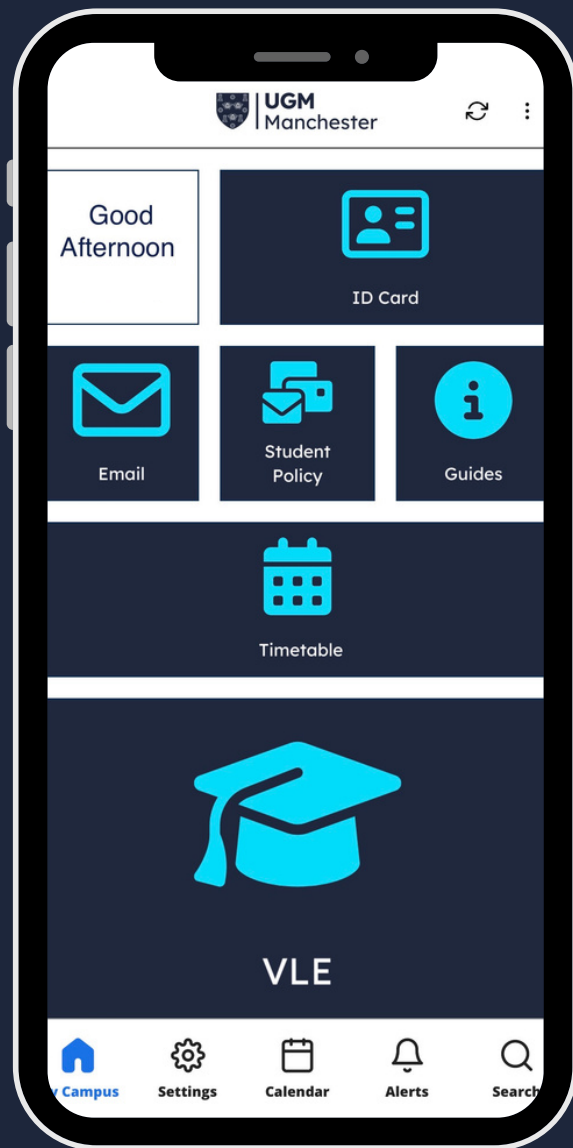

Once logged in, you can access all your learning materials using the tiles available.

You can access your **VLE**, **Student email**, and the **Digital Library** and your **Timetable**.

Just click the tile for the service that you require. **When first using the app, you will need to log in to each service individually.**

VLE

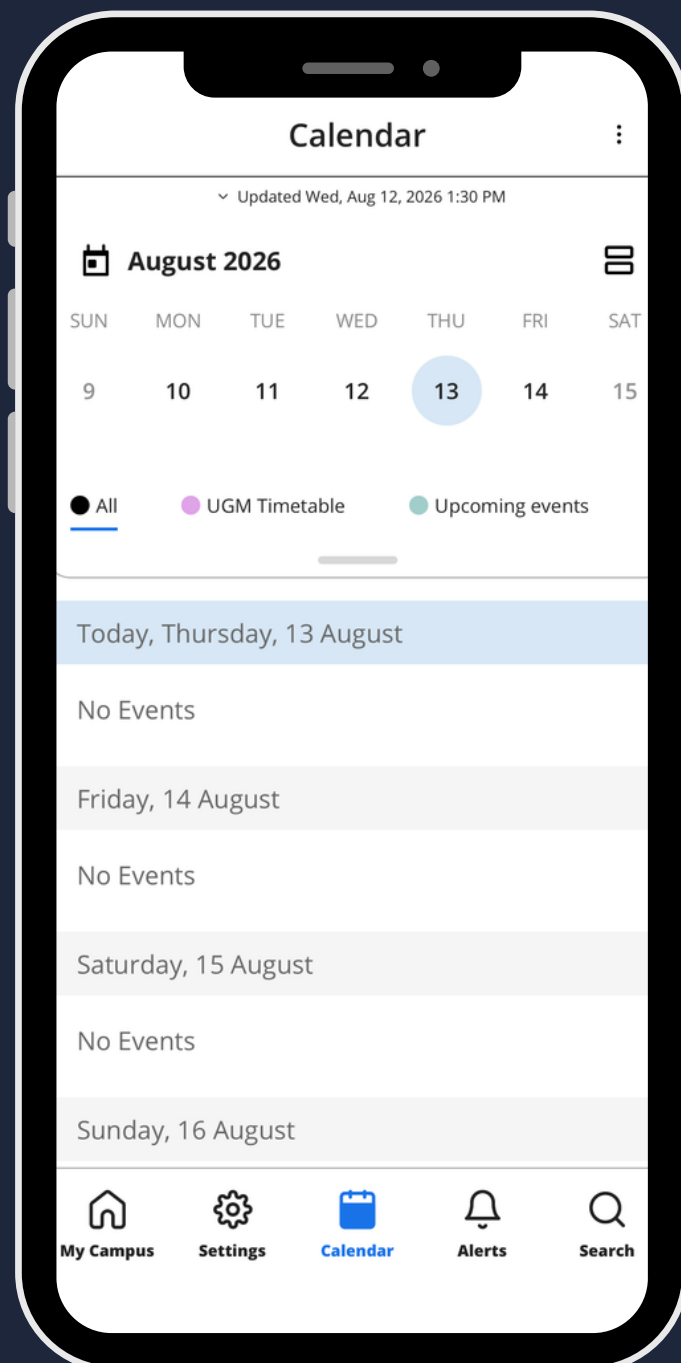

Scan to view the
VLE guide

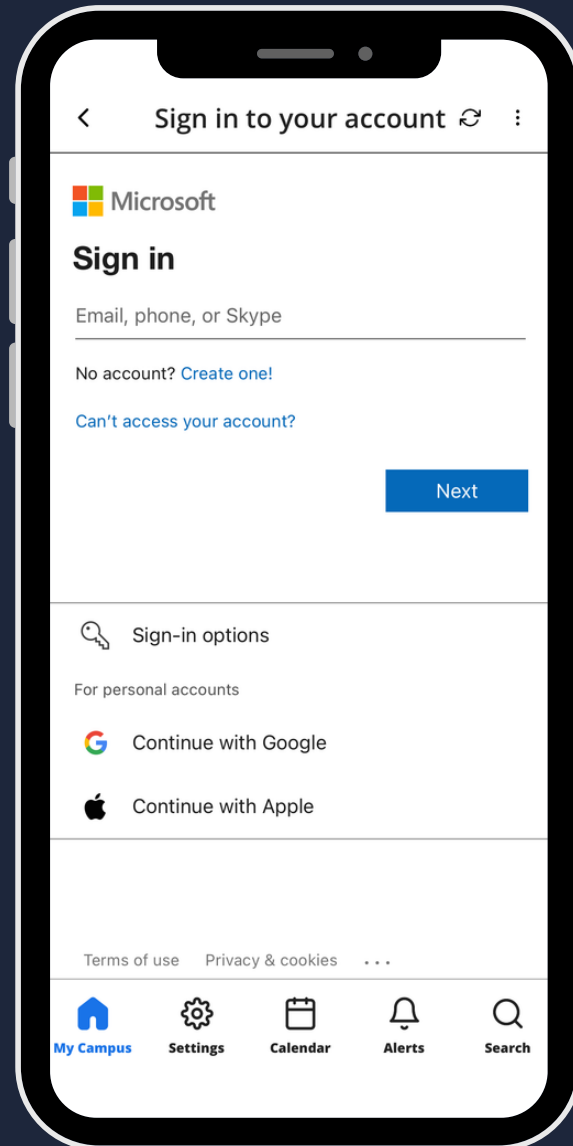

The **Virtual Learning Environment (VLE)** contains academic information and resources. It is the hub to access your module materials, attend your **zoom webinar lectures**, **submit your assessments**, and access various learning resources such as **Kortext**.

Timetable

Tou can see the **schedule** of your assigned modules in Timetable.

Student email

You can access your **student e-mail** via the myUGMManchester App. This will be our first port of communication with you, so it is essential that you check this frequently.
